Closing remarks

The 13th International Conference The Use of R in Official Statistics uRos2025

Romanian National Institute of Statistics

24-26 November 2025

Overview

The annual conference on the Use of R in Official Statistics will be organized as an on-site event at its home country and institution - Romanian National Statistics Institute, on **24-26 of November 2025**.

Call for Presentations and Tutorials

The purpose of the conference is to provide a public forum for researchers from academia and institutes of official statistics to present, exchange ideas and discuss developments in state-of-the-art statistical software commonly used in applied economics and statistics. The most focused debates are expected to be on the use of R in Official Statistics.

Topics covered by the conference

- Data Access, Integration, and Metadata
- Sampling, Estimation, and Data Preparation
- Core Methods for Official Statistics
- Advanced Analytics and AI

- Automating and Operationalizing Official Statistics
- Reproducibility and Open Science
- Visualization, Mapping, and Disclosure Control

Types of presentations

- Regular presentations: 15 minutes
- Lightning presentations: 5 minutes
- Tutorials: 2-4 hours

Publication opportunities

Authors with an accepted abstract can submit a full-length paper for one of the following journals: **R Journal** or **Romanian Statistical Review**.

For all journals, submission deadline will be January 15, 2026.

- Submissions for R Journal: : Mark van der Loo, mpj.vanderloo@cbs.nl
- Submissions for Romanian Statistical Review: Ana Maria Ciuhu, anamaria.ciuhu@insse.ro
